Piscine 2010

From 16-19 November the Piscine 2010 International Trade Fair will be held in Lyon. You can Interhiva there in the MAAX stand, located in Hall 66, stand number 66H40. We will be happy to welcome you at our stand.

New MAAX brochures

We are happy to announce that the new MAAX brochures are ready! You can find the digital versions in the marketing section of the dealer login part of the MAAX site. If you want the printed versions, available in English, Dutch, French, German and Spanish, please contact Françoise at fvansanten@interhiva.nl.

Energy Efficiency

We have a sheet available that explains the involvement of the California Energy Commission and the benefit of the BlueMAAX Thermo-Lock V insulation. Also stated in this sheet is a energy consumption graph in comparison to other spa manufacturers. Find below a example for Europe and an explanation on how the energy consumption figures are calculated. The Thermo-Lock V sheet itself can be downloaded from the MAAX site, in the dealer login part under marketing support files.
