Piscina 2011 Barcelona

In 2011 one of the biggest exhibitions focusing on Swimming Pools, Wellness and the Aquatic market is organized from 18-21 October. Interhiva is attending the Piscina and would like to give you the opportunity to sign up for visiting the Piscina and let us take care of the hotel arrangements. Please let us know if you would like our assistance in the hotel reservation before the 16th of May.

Product changes on California Cooperage

- The blower output on the California Cooperage range has changed. Prior to this change the blower was injecting air through the Air Controls forwarding it to the jets. From January 2011 the blower only injects air through the 10 injectors fitted throughout the footwell of the spa.
- On a rolling bases a couple of changes will go in effect on the California Cooperage range. They will have a new filtration design, redesigned footwell, new lights and a change in Stereo System.

MAAX Spas Photo Contest Reminder

We would like to remind you that you are still in the running for the Photo Contest. We have received some great photo's, but if you think your photos are the best, please send them in. We would like to receive winter, spring and summer photos, so now is the time to wrap up the winter photos and start with the spring photos. Photos can be emailed to gvanharten@interhiva.nl. Is your photo too many MB's to send? Please contact us for the server access. The MAAX Spas Photo Contest ends July 1st
