

Piscina BCN, Barcelona, 18-21 October 2011

Interhiva and MAAX Spas will be present at the Salon Piscina BCN organised in Barcelona from 18 till 21 October 2011 (**Hall P3, stand D408**). You are kindly invited to visit us there. A number of the latest models MAAX spas will be displayed at our stand, representing the latest in spa technology, so don't miss this opportunity to catch up with these new developments. Of course, there are also many other interesting things to do in Barcelona, see <http://www.barcelonaturisme.com> and <http://www.fcbarcelona.com> (match on Wednesday).

When you visit www.salonpiscina.com, you can print the enclosed invitation and follow the instructions on it to get free entry to the fair.

NEW: Lifestyle spas

At the Piscina BCN we will introduce the new line of Lifestyle Spas by MAAX Spas.

This is a popular, advantageous line of spas with a plug and play design, available in two models, the smaller R50 and the larger R61. Relaxation is made simple by Lifestyle Spas.

Please visit us at the **Piscina BCN, in hall P3, stand D408**, and check this new line of spas out for yourself. We will gladly tell you all about it.

You can also email Françoise at fvansanten@interhiva.nl for further information on and prices of the Lifestyle Spas.

NEW: C-Quel infrared cabins

As mentioned before, Interhiva has added a new line of Infrared Cabins to its product range. With input from our customers and our own experiences in the Infrared Cabin business, we developed the cabins with features as Red Cedar, mirror glass, lower back emitter, starry sky fibre optics and MP3 sound system as standard fittings. We think this is the ultimate Infrared Cabin in its class. These C-Quel infrared cabins will also be introduced at the Piscina BCN. One more reason to visit our stand in Barcelona!
